One snake said to the other:
"are we suppose to be poisonous?"
"why?"

"I just bit my tongue"

Jokes Corner

What's white on the
outside and tells
terrible jokes?

A corny beef sandwich

One day there were two packets
of crisps running down the
road. A car came up to them
and said "do you need a lift?"
"no thanks we're walkers!"

What do you get
if you cross a skunk
with a bear?

Winnie the poon!

BOOGIES

Poem by Ernis

A little puff of wind arises from the heart, travels down the back bone and then becomes a fart.

A fart is very useful it gives your body ease warms the bed in winter, and suffocates the fleas.

There once was a chicken named Ernis.

Who's bottom ^t~~bottom~~ exploded in a ~~furnice~~ ^{furnice}.

He did it on bonfire night.

But at bedtime he had big fright.

Because his bogie purse was full to

burstis!!!
